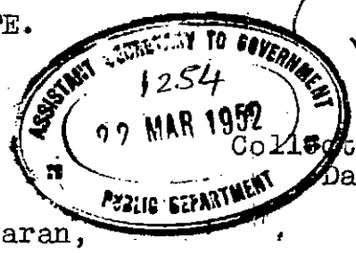
FOR MYSORE STATE

ELECTIONS/IMMEDIATE.

C.No. 3960/52



Collector's office, Bellary
Dated 20-3-1952.

Dear Sri Venkateswaran,

Elections - New Constitution - First General Elections M.L.A. and House of the People and M.L.C. Bellary - Heavy office work - over-time allowance for the Elections staff in the offices of the Returning Officers - Bellary district Recommended.

During the recent General Elections and more specially from the date of filing nominations (to the M.L.A. and the House of the People Constituencies) to the date of completion of elections, the entire Elections staff in the offices of the Returning Officers of Assembly and Parliamentary Constituency had worked very hard for long hours during day and night under heavy strain. The Elections staff worked over-time almost every day and deserve some extra remuneration.

2) The entire Elections staff in my office had to sit till late in the night, sometimes till 3 A.M. (the next day) to receive Government telegrams and to issue instructions immediately to the subordinate officers in the district. The Election upper division clerks in the offices of the Assembly Returning Officers in the district had likewise worked very hard for long hours day in and day out as there was not adequate elections staff in those offices. My Camp Clerk too had to stay with me for long hours and also in camps to type urgent reports to Government pertaining to Elections.

I therefore recommend that the entire Elections staff in my office, my Camp Clerk and the Elections Upper division clerks in the offices of the Assembly Returning Officers Bellary and Hospet may be sanctioned over-time allowance at the rate of Rs. 2-0-0 per day from 9-11-1951 to 31-1-1952. In this connection I submit that the Government have been, it appears, pleased to accord sanction for payment over-time allowance to the Elections staff in certain districts in the State.

3) Further I submit that the Elections staff in my office had to work over-time even after 31-1-1952 in connection with the Elections for the Ceded Districts Local Authorities Constituency. I therefore recommend that my Elections staff may be sanctioned over-time allowance at the rate recommended ~~e~~ above for the period from 1-2-1952 to 18-3-52 (date of completion of M.L.C. Elections)

4) At the time of counting of votes for the Bellary Parliamentary Constituency, a sum of Rs. 23-10-0 was paid by me towards ~~the~~ charges for the counting staff as most of the members of the counting staff had ~~been~~ not been given the advance of counting allowance sanctioned in G.O.Ms.No. 2711 Public (Elections) Department dated 21-10-1951. except in a few drafted to help counting were drafted from other departments, as the Revenue department staff had been drafted for the conduct of elections on 5-1-1952 in the Kurnool Parliamentary Constituency. I therefore request that I may be permitted to incur this expenditure ~~of~~ from the allotment made for the General Elections and debit the same to relevant sub-head under "25.r.General Administration - State Legislature - Elections to Legislatures - A.Elections

(4) I invite attention to my letter No.16859/51 dated 1-2-52 in which I had requested the Government to permit me to draw my T.A. (mileage) for the tour performed in Bellary and Adoni towns on 2-1-52 and 5-1-52 respectively to supervise and inspect the polling booths. I therefore request early orders on my report.

Yours sincerely,

(G.Rami Reddi)
